even though it's a little under to me.
AMAMIYA...

Afterward

We've safely reached the last volume!
To those who helped me out every time, my supervisor, Koei Tecmo Games Co., who helped check my rough drafts, and my mother, thank you so much!
And last but not least, heaps of thanks to all my readers!

...As for the manga adaption of La Corda D'Oro 3,

I like to believe that I've neatly (?) concluded the story but as I'm sure many of you already know, La Corda D'Oro 3, the game, is getting an anime adaption!
...Consequently, I will be starting a new manga adaption again ♪
The story will proceed in a different angle from Aria of Linden Hall.
If you get the opportunity, please read it ♪
